

VITANICA® ~ BITTERS EXTRA™

Traditional bitter herbs promote healthy digestion. Includes a full complement of plant-based digestive enzymes to support digestive functions more fully - in a convenient, easy to take capsule.

Featured Ingredients:

- Traditional herbal bitters formulas support liver and gallbladder function, promote calming digestive health and act as a gentle, natural laxative: **Artichoke leaf, Gentian root, Burdock root, Dandelion root, Yellow dock root, Chamomile flower**
- **Turmeric root** is a traditional Asian botanical, also with modern research, supporting digestion and health in general
- Aromatic and sweet herbs play an important role in traditional bitters blends: **Cardamom, Ginger, Fennel**
- Includes a full profile of **plant based digestive enzymes**, offering a thoughtful and well-rounded approach to supporting digestion

Indications: Good digestion is a foundation of good health. Traditional herbal bitters are a popular, natural way to support digestion. The convenient capsule makes it easy to take daily or as needed, with meals.

Suggested Use: 1 or 2 capsules as needed with meals.
