

VITANICA® ~ CHOLESTBLEND™

CholestBlend features some of the most prominent research promoting healthy cholesterol, naturally.

Featured Ingredients:

- **Policosanol** exhibits many years of positive clinical research in support of maintaining healthy cholesterol levels
- **Garlic** has a long history of traditional use supporting a healthy cardiovascular system in general
- **Guggulipid extract** and **Artichoke leaf** appear to support healthy lipid levels, contributing to the maintenance of healthy cholesterol
- There are prevalent clinical studies showing supportive action of **Vitamin C** and healthy cholesterol levels
- **Pantethine**, the most active form of Vitamin B5, promotes the transports of fats to and from cells; it maintains cholesterol synthesis and promotes the utilization of fats as energy

Indications: Supports the maintenance of healthy cholesterol levels with key botanicals and nutrients.
