

VITANICA® ~ PREGNANCY PREP™

Ideal planning for pregnancy involves promoting regular ovulation and supporting optimal uterine health and tone in preparation for fertilization and pregnancy.

Featured Ingredients:

- Regular ovulation is promoted with **Chaste tree berry** and **Tribulus**. Tribulus has research supporting this function and shows better results for women who took it with the ovulation-stimulating hormonal drug
- Uterine tone and hormonal balance is supported with botanicals: **Motherwort, Dong quai, Maca root** and **Alfalfa**
- **Red raspberry leaf** has centuries of traditional use in supporting the uterus in preparation for pregnancy
- **Rhodiola** is included for general endocrine system support and because research does indicate its support in fertility
- **Enzymes** are included to promote better nutrient uptake

Indications: In preparation for pregnancy women can optimize their fertility by supporting regular ovulation and the overall health and tone of the uterus with time-honored and scientifically researched botanicals.

Suggested Use: 2 capsules, once or twice daily.
