

# VITANICA® ~ RED CLOVER

Positive research shows red clover extract supports relief of peri- and menopausal symptoms, especially hot flashes and night sweats; our formula contains the standardized extract as well as the traditionally used leaf and flower.

## Featured Ingredients:

- Contains the most researched extract of **Red clover**, including the 40 mg total of four important isoflavones: formononetin, daidzein, biochanin and genistein
- Research has indicated positive support in relieving both severity and number of hot flashes & night sweats in menopausal women, especially after 8 weeks
- Red clover has also shown, in research, to promote improved arterial elasticity, which could implicate maintenance for a healthy cardiovascular system

**Indications:** Especially helpful for women in menopause wanting to support relief of hot flashes and night sweats. Also promotes cardiovascular system health.

**Suggested Use:** 1 capsule daily.
