

VITANICA® ~ WOMEN'S PHASE II®

Our flagship product continues to be a successful option for menopausal women wanting to reduce symptoms and support the change in hormones naturally.

Featured Ingredients:

- Studied in a double-blind, placebo controlled study the results of this specific formula were published: 71% of the women reported fewer total symptoms and 100% had a reduction in the severity of symptoms
- Phytoestrogenic support for menopause and maintenance support for healthy breasts, bone and heart tissues from **Licorice root, Dong quai and Wild yam**
- Liver support from **Burdock root**, which in turn can support the shift in hormone levels menopausal women experience naturally
- **Motherwort**, a time-honored herb for menopausal women, promotes heart and uterine tone

Indications: Perfect for mild to moderate menopause symptoms. Study results indicated relief for menopause related hot flashes, mood changes, sleeplessness and even vaginal dryness.

Suggested Use: 2 capsules, two times daily, or as directed by your healthcare practitioner.
