

VITANICA® ~ CCDG BLEND™

Mushrooms, Green tea, DIM and Turmeric have all been shown to support a normal and healthy immune response, maintaining a healthy, normal cellular state.

Featured Ingredients:

- **Coriolus versicolor** (Turkey tail mushroom) has profound immune supportive benefits; our hot water extract contains 30% polysaccharides
- **Curcumin**, or **Turmeric**, has long been used in Ayurvedic medicine for its curcuminoids aspects, known to contain potent antioxidants supporting healthy inflammatory pathways
- **DIM** (Diindolylmethane) from indole-3-carbonale in cruciferous vegetables supports cellular immunity by maintaining healthy hormone metabolism pathways
- **Green tea** is rich in polyphenols, whose robust antioxidant effects are well known for immune support overall

Indications: CCDG Blend offers systemic and cellular immune support, rich in specific antioxidants supporting healthy inflammatory pathways in the body.

Suggested Use: 3 capsules daily; best results when also taking high dose L-methyl-folate or folic acid (10 mg/day).

Size ~ 90 caps; UPC code ~ 7-08118-01027-9
