

VITANICA® ~ NAC-PEA EXTRA™

NAC-PEA Extra focuses on the unique ingredients of N-Acetyl-L-Cysteine and Palmitoylethanolamide and other antioxidant-rich ingredients in support of the healthy cells of the female pelvic area tissues.

Featured Ingredients:

- **NAC (N-Acetyl-L-Cysteine)** offers support for the immune system. It is a precursor to the antioxidant glutathione, promoting healthy immune maintenance and cellular function
- **PEA (Palmitoylethanolamide)** maintains and supports the healthy inflammation response; also promotes the bliss molecule, anandamide
- **Quercetin** promotes a healthy inflammation response
- **Pine bark extract** is a rich source of antioxidants supporting cellular health
- Other supportive botanicals: **Curcumin & Green tea**

Indications: Maintains healthy pelvic area tissues in females, with supportive botanicals and antioxidants.

Suggested Use: One (1) capsule, orally, three times per day. May be taken with or without food.

Size ~ 90 caps; UPC code ~ 7-08118-01147-4
